

FOR IMMEDIATE RELEASE

Flagstop raises over \$1,800 for Disabled Veterans

By Sarah Ebling

November 18, 2015

On November 11, 2015 Flagstop Car Wash reached out to a non-profit organization to show their utmost appreciation for our military and American Veterans in need. Every year Flagstop participates in the national Grace for Vets event where car washes all around the country give out free washes to Veterans on Veterans Day. For the second year, Flagstop teamed up with DAV (Disabled American Veterans) to collect donations.

Flagstop collected money from opening until closing at all eight locations for the DAV on Veteran's Day. In order to encourage more donations, free washes were given to anyone who donated money to DAV. By the end of the event, Flagstop had given away over 1200 free washes between military and donating customers, and raised a grand total \$1,818 (100% of which went directly to DAV).

DAV said their plans are to use the money to sponsor the National 5K-Walk for Disabled Veterans. The walk will raise even more money that will go toward providing local veterans with department service programs, women veteran programs, homeless/welfare and relief programs, assistance to veteran's family and caregivers, transportation, and more. Flagstop plans to work with DAV again in the future, and appreciates all of our veterans who gave so much so that we can live in a free country!

About Flagstop

Flagstop Car Wash has been the ultimate in car care since 1981! From their modest beginnings in Chester, they have grown and expanded to eight locations compiled of a combination of full service washes, \$5 express washes, self serve washes, pet washes, in-bay automatics, and lube shops throughout the greater Richmond and Tri-city markets. In 2014, Flagstop once again made the top 50 list of the nation's largest conveyor car wash chains by Carwash.com. For any questions or concerns refer to the Flagstop website, RVAWASH.COM, or call 804-RVA-WASH.
