Warsaw Chemical Celebrates 75 Years in Business in 2016

Warsaw Chemical Co., Inc. is celebrating its 75th anniversary in 2016. Warsaw Chemical is an employee-owned company that was started in 1941. The company began with a product line of basic acid bowl cleaner and a mechanics type hand cleaner. Today, Warsaw Chemical Co., Inc. offers over two hundred Car Choice® Brand car wash products and Warsaw Chemical Brand janitorial, industrial, and automotive detail products internationally and throughout the United States. The Car Choice® line includes products for self-service, automatic, and conveyor carwashes.

Warsaw Chemical also offers a line of environmentally friendly products for the carwash, janitorial and industrial markets. “We’re proud of our people and our products and have some exciting new products in development,” said Ken Bucher, Warsaw Chemical President. “So we look forward to continuing our progress in the months and years to come.”
